What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures. It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely

painless.

Am I at risk of Glaucoma?

Are you over 40?

Do you have a family history of Glaucoma?

Are you short sighted?

Do you have diabetes?

Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes. **Your eyes deserve the benefits of cutting edge technology available at this practice.**

Lessons to be learned from Buckskin floods THE DUTCH SOLUTION?

Bishop keen to start in 'Stoke

THE Archbishop of Canterbury blessed the Bishop of Basingstoke into his role at an impressive service at Winchester Cathedral.
The Reverend Canon David Williams said he is excited to take up his post as a new religious leader for Basingstoke.

• See page 3 for full story

THE Netherlands could have the answer to Basingstoke's flooding problems, a councillor has urged.

The low-lying country is well versed in managing flooding - and can count amphibious homes among its success stories.

Hampshire County Councillor Stephen Reid, for Basingstoke North West, wants to pick the brains of bosses in the Netherlands.

He set up a steering group this month to find solutions for future flooding in Buckskin.

During a European Network Meeting last week, where cabinet members meet to discuss their relationship with Europe, Cllr Reid said he was inspired to get in touch with low-lying Holland to find out how they cope with flooding.

"Holland must have a huge expertise in this area so it would be ideal to speak to them," he said.

"Maybe nothing could come from it but there is no harm in trying."

"We could look to them to find out a strategy which would work in Buckskin."

"We need to try and get the best out of what we can."

Cllr Reid wants to raise the idea

when the steering group meet for the first time next week.

Holland are known for their clever ways of coping with flooding.

Two thirds of the Netherlands is prone to flooding, and the country has a sophisticated network of dams and "floating homes" which rise and fall to cope with heavy rainfall.

The steering group plans to discuss recommendations made by a report into flooding published in July.

It came after over 80 households in Buckskin had to be evacuated from their homes in February and March.

The report revealed flooding in the area was caused by a dormant spring that became active due to high ground water levels.

Recommendations in the report include monitoring groundwater levels, investigating the ditch and pipe network maintenance in Buckskin and stopping foul water from flowing overland.

Action needed to stop flood repeat

• From front page

Ward councillor Tony Jones, said: "We would like to see faster action."

"We are still worried about flooding. Was it a one off? It doesn't matter - we need to act now."

"Being flooded is traumatic, half the community is missing after being evacuated."

"It is hard to explain the trauma caused by the flooding. When you see people's homes, their belongings that have taken years to build up, just disappear."

"We need to be able to assure residents that if something did happen again in Buckskin, we would be prepared."

Councillor Nigel Pierce, also of Buckskin, said: "It is a shame it has taken them as long as it has but it is good that ideas are being put forward."

"A number of solutions are being looked at and permanent or as permanent as they can be, we need to implement them."

"Of course everyone is concerned that flooding may occur again but we hope we will be better prepared next time."

• Ridgeway Community Centre in Buckskin during the floods this year

Cllr Reid said: "We need to know if there is a problem brewing."

"If I was a resident, I would be worried about flooding"

The first meeting of the steering group is at Basingstoke's Civic Offices in London Road on Monday at 12.30pm.

New equipment for charity centre after cash boost

NEW equipment is to be installed in volunteer-run Brookvale Community Centre, chosen as one of eight buildings picked across Hampshire for a cash grant.

Brookvale Community Association, the charity which runs the Northwich Road centre, is to get £1,535 for outdoor and indoor furniture, including tables and chairs.

Hampshire County Councillor Keith Chapman granted over £31,000 to village halls and community associations throughout the county to help with refurbishments, building and repair works.

He said: "Village halls and community associations are a valuable asset in every local area and vital in providing an activity hub that brings together local people of all ages."

"The county council's contributions enable improvements to be made to their buildings, equipment and facilities, which helps to ensure that they continue their valuable work within the community."

The Alton Community Association was also awarded £5,000 to help with major refurbishments in the building and the Cross Barn community hall in Odiham was awarded £2,000 to help buy a stage and ramp that will be used for performing arts.

Fresh crash death appeal

POLICE have released a picture of a red Honda Civic car they believe could help their investigation into the death of an 82-year-old widower.

James Jamieson, of Attwood Close, died in Basingstoke and North Hampshire Hospital on September 12, two weeks after he was hit by a car.

He was crossing Worting Road, near his home at 7.20am on August 29 when a Ford Focus hit him.

A 51-year-old woman from Tadley, who was driving the

Ford Focus, was not injured and provided an account to the police.

Police believe the driver of a red Honda Civic, which was seen in the area around the time, may have seen Mr Jamieson before he was hit.

Sergeant Andy Lynch said: "Were you driving along Worting Road at around 7.20am on Friday, August 29?"

"Did you see an elderly gentleman walking along the road?"

"The driver of this vehicle could hold vital information to assist our investigation and I would urge this person, or anyone who thinks they know who they are, to get in touch with us as soon as possible."

Anyone with any information is asked to call 101.

Stabbing trio

BASINGSTOKE: Two Bucks-kin brothers who stabbed a man in the face in a revenge attack are due to be sentenced at Portsmouth Crown Court tomorrow.

Raymond Collins, 33, of Penny Black Lane, and Gary Collins, 34, of Worting Road, were found guilty of wounding with intent and possession of an offensive weapon on August 15 at Winchester Crown Court.

Accomplice Samantha Lee, 28, of Winkleberry Centre, was also found guilty when the trio violently assaulted Jason Webb in his Pentland Close home in February.

All three defendants denied the charges against them during the week long trial.

Witnesses plea

BASINGSTOKE: Police have released more information about an accident on the M3 in Basingstoke last week that left a man in his 60s with life changing leg injuries.

A trailer attached to a van clipped the man in the legs on September 16 after both he and the van driver pulled into the hard shoulder during a road rage incident.

The van driver drove off and police say may have been unaware he hit the man.

Officers described the van as white with no markings and similar in size to a Ford Transit flat bed.

The bed of the van was similar to a recovery truck with no sides and made of aluminium.

The trailer sat a couple of inches lower.

Police are calling for anyone with information to call 101.

Parent advice

BASINGSTOKE: A new booklet for parents of babies and toddlers on how to recognise serious illnesses and what to do has been made by North Hampshire Clinical Commissioning Group.

A road show launching the booklet in Porchester Square, Festival Place, is running until September 29.

Basingstoke's bishop takes up post in style

OVER 1,200 people flocked to Winchester Cathedral for the consecration of the new Bishop of Basingstoke on Friday.

The Archbishop of Canterbury, The Most Reverend Justin Welby, led the service which blessed the religious leader into his post.

The "epic" two-hour service attended by 24 bishops and over 300 members of the Church of England saw Reverend Canon

David Williams ordained into the new role.

He said: "It was epic. I really enjoyed it."

"To have friends and family from all around the world, 24 bishops, major political leaders,

300 members of my church, and 1,200 people all together in a city I know, in a cathedral I love - it was amazing."

Basingstoke MP Maria Miller and the MP for North West Hampshire, Sir George Young, were also present.

Having served in the Diocese for 13 years, Rev David Williams was announced as the new bishop of Basingstoke in June.

He worked with communities in his previous role as vicar of Christ Church Winchester - setting up a street pastors project in the city and working with prisoners in Winchester Prison.

And community work is something he aims to continue in his new role.

"I am very happy to start working for the common good in Basingstoke," he added.

"The flourishing of communities, the well being of the town - a lot of people can be drawn to do that - the church

is only one part of that endeavour but that is one of the things I want to do."

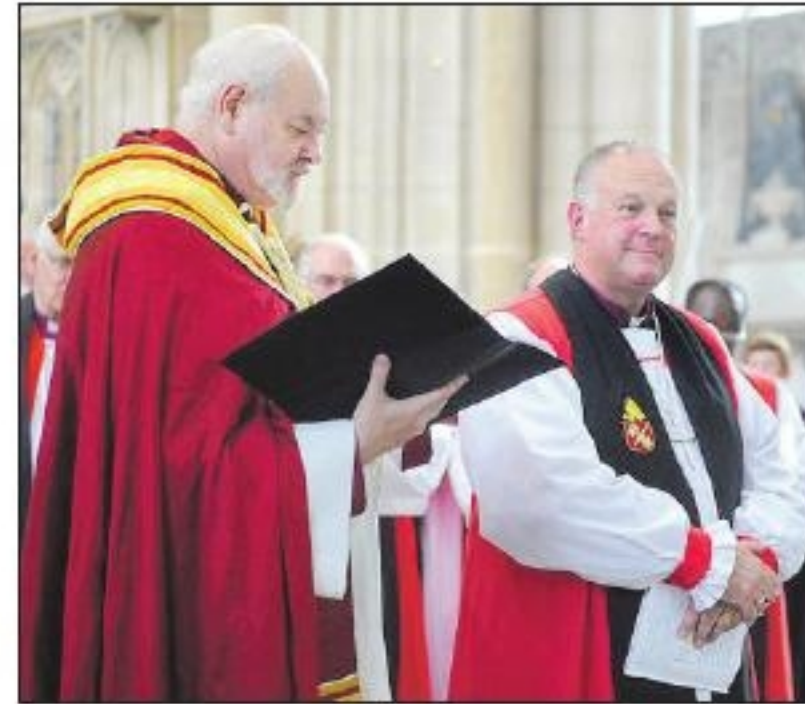

"I think Basingstoke is amazing - it is an entrepreneurial centre and it is economically thriving and I am looking forward to knowing it better."

"I am also very much looking forward to an invitation to a Basingstoke Town football match," he added.

Rev David Williams's first service as the Bishop of Basingstoke will take place at St Michael's Church in Church Square on September 28 at 10.30am.

Concerns over new levy for developers

A LEVY to force large developments to put extra cash towards infrastructure projects in Basingstoke will not work, a councillor has warned.

Basingstoke and Deane Borough Council's cabinet is due to approve the new charges - called the Community Infrastructure Levy - when they meet on Monday.

But councillor Laura James raised fears that cash being spent on infrastructure projects and the cash to be collected from developers will not add up.

She said: "We have some real concerns with the levy and meeting funding requirements of the borough."

"It is not realistic. A lot of sites have come forward before the local plan."

"They will not be contributing because they have already got planning permission."

"There will be a deficit."

Cllr James added the Community Infrastructure Levy is being introduced too late to charge developers.

The 310-home Kennel Farm and 450-home Kiln Farm developments already have planning permission and so will not have to pay the levy.

The charges would be enforced on most new developments in the borough greater than 100m² of floor space - with recommended

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

rates between £35 and £150 per square metre.

Councillor Robert Tate, of Basingstoke and Deane North, said: "The levy will benefit the infrastructure in the borough."

He added: "It is a reasonable way but in some cases it is not appropriate as sites are not able to sustain themselves if charges are in place."

Councillor Paul Harvey, of Norden, blamed the delays on a legal dispute over the 3,400-home Manydown development.

The High Court ruled in December 2011 the new Conservative-led council acted "unlawfully" in removing the Manydown site from its local plan.

Cllr Harvey said meant the entire process "had to be reset".

He added: "There are over 1,500 homes that will go ahead and developers will not contribute a penny because of the delay."

Councillors are expected to come to a decision on the levy at the cabinet meeting on Monday.

It is to be held in the committee rooms at the borough council's civic offices in London Road from 6.30pm.

Residents to design WWI peace garden

RESIDENTS have the chance to design a new garden in War Memorial Park to commemorate 100 years since the end of the First World War.

The Peace Garden, due to be open in 2018, is the brainchild of Basingstoke and Deane Borough Council, the Basingstoke Heritage Society and the town's

Royal British Legion.

The garden will celebrate a centenary since First World War fighting ended.

Residents and businesses are being urged to contribute ideas for the garden's design.

Basingstoke's mayor Roger Gardiner said: "The Peace Garden is an inspirational initiative with which I would like to see the whole community involved from the very beginning."

"We are looking to work with local businesses, community groups and individual residents so that everyone can feel they have been able to contribute, either through sponsorship, volunteering or providing information and ideas."

"Opening of the Peace Garden in 2018 in the War Memorial Park will be a very fitting way to mark the 100th anniversary of the end of the First World War and local people's part in it."

To get involved contact Margaret McGrath on 01256 845407.

Night chopper

HAMPSHIRE: The Hampshire and Isle of Wight Air Ambulance (HIOWAA) is to upgrade to a new specially equipped helicopter with full night flying capability.

HIOWAA announced on Monday they will be using the new model from the second half of next year.

With the new helicopter, the doctor and paramedic team can get to a patient within minutes 24 hours a day.

Tackling litter

BASINGSTOKE AND DEANE: The borough council has signed up to a campaign which aims to tackle chewing gum litter.

Along with the Chewing Gum Action Group, an organisation chaired by the Department for Environment, Food and Rural Affairs, the council will be displaying humorous adverts that encourage people to dispose of chewing gum properly.

Those who litter their gum will face a fine of £75.

Director decision

BASINGSTOKE AND DEANE: The Human Resources Committee is set to meet next Monday.

Due to the retirement of the chief executive of the council, Tony Curtis, it is recommended that the Human Resources Committee appoint the director of borough services and the director of governance and commissioning to take up the interim role until the new chief executive starts.

The meeting at the borough council's civic offices in London Road starts at 2.30pm.

Rural crime crackdown

HAMPSHIRE Constabulary stop checked cars and people in an operation to tackle rural crime last week.

Operation Festive ran from 9am to 11pm on September 17 and involved 25 officers from neighbourhood and watch teams who launched searches in Basingstoke, Winchester, Alton, Hook and Aldershot.

A total of six vehicles in Hampshire were served with prohibition notices and one was seized for containing red diesel.

Four people who live out of Hampshire were arrested in connection with other offences.

Safer Neighbourhoods Sergeant Shaun Stinson, who led the operation for Hampshire, said: "These operations are vital in helping us send a strong message to those who travel to rural communities to commit crime."

"We know those responsible for this activity pay no attention to county borders and our approach to policing is the same."

"This operation enabled us to gain information about vehicles used to commit criminal damage and trespass on land and we also gathered useful intelligence about people linked to distraction offences."

"We are committed to making Hampshire and the Isle of Wight a hostile place for criminals."

"Our message is simple - you are not welcome here and we will continue to work with other forces to make the region a no go area for criminals."

Ancient mill closer to being restored

By **Mathew Di Salvo**

mathew@taylornewspapers.co.uk

THE Whitchurch Silk Mill is getting closer to its target of raising £200,000 to revamp the building and equipment.

On Sunday 770 people attended the mill's country show, organised by the Friends of Whitchurch Silk Mill, to raise money so the mill can start a refurbishment of the buildings and machinery.

Silk mill trustees applied for a £1.7million Heritage Lottery fund in August so improvements to the site can be paid for and as part of the application they also need to raise £200,000.

They are still waiting for a decision on whether the lottery bid was successful.

Mill trustee, Claire Isbester, said: "It was a really lively day."

"The stall holders did so well and the mill showed its heart and important place in the town."

"Everyone who attended was brought happiness."

"There were people who have lived in Whitchurch for years and have never visited the mill before who came along."

regatta on the river.

Over £3,000 was raised towards the £200,000 target - an aim which was only launched during August.

Eventually the money will be used to restore the antique looms and modernise the building.

The café would also be moved to the ground floor to make it more accessible to the public.

The water mill, in Winchester Street, is the only working silk mill in England that still weaves silk in an original building on Victorian machinery.

"Keeping authenticity is key," Claire said.

"The Whitchurch Mill is a unique place and the story of the mill needs to be told."

"The machinery doesn't work

as well as it ought to and all of the building needs refurbishing so we can continue making beautiful silk."

"When we raise the funds the mills authenticity can truly be preserved."

"By raising as much money as we did we feel very encouraged and we will continue to try and reach our target."

Could 'Stoke offer up the first ever Mr Hampshire?

MEN across Basingstoke can step up to the podium in a bid to be crowned the first ever Mr Hampshire.

Beauties of both genders will stand side by side for the first Mr and Miss Hampshire 2015.

Current winner of Miss Hampshire 2014, Charlotte Giles, will be at Alton House Hotel on Sunday to lead hopefuls down the beauty pageant path.

Charlotte, who was crowned in March at the Alton hotel, hit headlines earlier this year after it emerged she comes from Middlesex.

Director of Miss Hampshire, Paula Langley, said: "Beauty is such a subjective thing and so we urge all types of beauties to enter."

"We are not looking for one type - we are looking for an all rounder that has beauty inside and out."

To enter, women contestants must be aged between 17 and 25 and men aged 17 to 27.

They should also never have been married, had children or posed nude or topless before.

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

Ms Langley added: "We are looking for young ambassadors for Hampshire that want to meet others, have fun and learn new skills."

"They must be willing to work hard for our charities and do Hampshire proud at all levels of the competition."

"The Hampshire finals are always lots of fun and give the contestants an opportunity to challenge themselves in all of the different rounds."

The winners of Mr and Miss Hampshire then have the chance to compete for the Mr and Miss England 2015 crowns.

For advice on the contest or to pick up an application form or ask visit Alton House Hotel in Normandy Street from Midday to 3pm this Sunday, September 28.

Applications close at a date to be decided next year before the finals are held in spring.

New tree strategy for town passed

A NEW strategy allowing the council to uproot "nuisance trees" was approved at a meeting last week.

Basingstoke and Deane Borough Council's Community Environment and Partnerships Committee approved the strategy to chop down trees that damage property, rather than prune them, last Wednesday.

The plans were formed after several financial claims were made against the council because of the damage trees caused to private property.

Councillor Jane Frankum, of Popley West, said: "I really welcome the strategy."

"I love trees and I would chain myself to the trees outside my house if someone was to take them away but we have got a problem and trees cause enormous problems in the borough."

"I am glad we are looking at a strategy to tackle trees in urban areas."

Included in the plans was a new reserve of £470,000, to be used for tree maintenance over the next five years.

The new approach to tree maintenance will identify and remove trees that are at a risk of causing subsidence to property, replace trees with a wider range of species, reduce the future maintenance burden through effective tree management and improve the management of council owned woodland.

The motion was passed without much debate.

Prize for efforts with businesses in Basingstoke

BASINGSTOKE and Deane Borough council was awarded the help it gives small businesses at a ceremony this month.

It was given the Best All Round Small Business Friendliness award for 2014 at the Hampshire and Isle of Wight Federation of Small Businesses' awards.

Basingstoke's Town Centre Programme, launched last year to improve the appearance of the town and boost businesses, saw the council also named runner up in the Most Innovative Small Business Friendly Programme category.

Basingstoke and Deane's deputy mayor Anne Court received the award on behalf of the borough council.

She said: "Small businesses are the life-blood of the local economy and it is important we continue to support and work with them to help them thrive."

"This award is testament to the council's commitment to working together with businesses of all sizes to boost the local economy."

The award, handed over on September 9, came the day after the council

announced grants of up to £5,000 for 10 businesses in Top of Town to improve their shop fronts.

Hampshire and the Isle of Wight Federation of Small Businesses chairman, Tim Colman, said: "The council continues to clearly adopt a positive approach aimed at supporting and continually developing the local small business community."

"There have been a number of successful initiatives over the last 12 months and we are always keen to acknowledge any programmes or projects that have benefited micro and small businesses."

"The council was also deservedly highly commended in the Most Innovative Project category which related to its exciting plans for Top of Town."

"We look forward to continuing to work with them in encouraging new businesses into the area, and in developing existing smaller firms."

Answer needed for fuel poverty

IN the 21st century in Basingstoke fuel poverty is criminal, and last winter many people in the town suffered the choice between heating or eating.

Meanwhile the fuel companies continued to make huge profits from overinflated fuel bills.

It is 'green' week in Basingstoke this week and I'm calling for a local programme of home insulation to help people reduce fuel bills; for solar power on public buildings to help save money to reinvest in services; and for a new Basingstoke Fuel Cooperative to be set up to help people come together and use their collective consumer power to purchase cheaper fuel.

The council put £1million aside two years ago to invest in green projects, but the Tory Council haven't spent a penny.

The money has been depreciating in a council bank account doing nothing, when it should be making a difference to people's fuel bills and to Basingstoke producing more green energy. This is a scandal.

Added to this the council continues to have one of the worst recycling rates in South East, and the new recycling banks promised by the council have been withdrawn as the company lined up for the contract pulled out at the last minute.

Green issues matter, because they affect people's lives as much as our environment. Whether it is protecting the River Loddon, supporting groups like Incredible Edible, or tackling the causes of flooding, there is much we need to do.

There can be no excuse for allowing anyone to live in fuel poverty in the 21st century.

Failed burglary

BASINGSTOKE: A group of men tried to break into a Sony technology shop in Basingstoke this month.

Two men from London - one 27-year-old and one 25-year-old - were arrested on suspicion on burglary.

They have been released on bail until December 11 after the incident on September 12 at 12.25am.

The suspects were black men, in their early to mid twenties and were wearing black clothing.

Pregnancy fit

BASINGSTOKE AND DEANE: The borough council has teamed up with birthing specialists FitMama to deliver pregnancy fitness courses in Basingstoke.

The six-week courses are split into two separate programmes - pregnancy and post natal - at their studio in the Basepoint Centre, Stroudley Road.

The pregnancy course will start on October 30 at 7pm and finish on December 4.

The post natal course starts on October 15 and will run until November 19.

Slip roadworks

HAMPSHIRE: The south-bound exit slip road on the M3 junction five in Hook is due to open as usual from tomorrow after surface road repairs.

But lane closures on the roundabout and slip roads on weekdays overnight between 10pm and 6am on the M3 junction 6 in Basingstoke continue until late September due to vegetation works.

Out-of-town cemetery site plans to progress

PLANS to build a cemetery in North Waltham are to be pushed full steam ahead despite warnings that relatives would find it hard to visit their loved ones graves.

The controversial site was deemed the best option for Basingstoke and Deane Borough Council at a meeting last Wednesday.

A planning application for the cemetery is to be submitted by Basingstoke and Deane Borough Council despite concerns raised that it could be too difficult for many to reach the out-of-town site.

But Basingstoke's Worting Road cemetery only has five years worth of space left.

Basingstoke council's Community Environment and Partnerships Committee called for plans to move forward sooner rather than later.

Committee chairman Rob Golding said they have "very little time" to drop the site in favour of alternatives.

The 15.9 acres would provide land for about 90 years.

Elizabeth Harris, director at Basingstoke's Spencer & Peyton funeral directors, spoke against the location at the meeting.

She said: "As funeral directors we are worried about impact on general public and not us."

"We believe the site is far too

By **Mathew Di Salvo**

mathew@taylornewspapers.co.uk

far from the town.

"If there is land owned by the council that we could use until another site in town became available, that would be better."

She added: "In our professional opinion it is too far out for people to visit."

A subsidised bus or taxi service could be introduced to help relatives travel to visit loved ones' graves.

Councillor Seán Keating, a member of the Manydown overview committee, said: "Manydown land is available."

"It is crazy to suggest buying 15 acres of land for a cemetery when we own 800 acres of land in town."

"We own the land, we can put it anywhere we want on Manydown."

Councillor Paul Harvey added: "North Waltham is the least favoured site, for residents and councillors."

"If you were to use North Waltham, you would genuinely be doing the town a disservice."

"I genuinely think there are better options so let's not rush into this."

North Waltham councillor Stuart Frost said the area is an accident black spot and in the last 10 years, between the A30 and A303, there have been seven accidents including one fatality.

He also stated that the constituents in his ward were "dismayed" with the decision.

However, Councillor Gavin James, of Eastrop ward, stated that a decision had to be made quickly and that the North Waltham site was currently the best option.

"North Waltham is the only option on the table but the transport issue should be resolved," he said.

"Whilst we should explore Manydown as an option, we need to keep the north Waltham idea alive."

The chairman of the committee, Rob Golding, said: "The challenge facing us is that we have very little time to consider other options."

"Therefore council should seek out land planning permission and address other options such as Manydown."

A report on accidents in the area and transport options is to be compiled by next summer.

The council also decided to press ahead and submit a planning permission for the North Waltham site.

Baptism of fire for teen sailor

A TEENAGER who took on the seas in a six-day sailing trip despite never having sailed before was presented with a trophy for his efforts last week.

Callum Archibald, from Hatch Warren, set off from Southampton marina for the training expedition.

The 14-year-old joined six others during the trip in April, organised by the charity Ocean Youth Trust and sponsored by MDL Marinas.

Callum, who goes to Bishop Challoner Catholic School in

St Michael's Road, said he was "quite nervous" by the task.

He added: "But it was a great experience - I had a lot of fun meeting new people and even got a chance to do some cooking."

"The trip has given me a lot more confidence and I now know I can achieve something if I put my mind to it."

Cockney duo back in town

COCKNEY music duo Chas 'n' Dave will be rabbiting their way to the Anvil tomorrow evening as part of their UK sell-out tour.

Veteran singers Chas Hodges and Dave Peacock return to the Churchill Way theatre having appeared twice in 2013 with popular shows.

And their latest offering will be split into two halves, each concentrating on different eras of their work.

"The first half of the show is 'Chas 'n' Dave in the '70s', and the second half of the show is the '80s onward," said Chas.

"We will also sing songs from our new album 'That's What Happens' in the show."

The duo, who have been together since 1975, have had monumental success in the UK with their hits 'Rabbit', 'Ain't No Pleasing You' and 'Margate', the latter of which was used in the Only Fools and Horses episode 'The Jolly Boys Outing', aired on Christmas Day 1989.

But despite their chart success, Chas says the proudest moments of

By James Richings

jamesr@taylornewspapers.co.uk

his career came from working with some of music's finest acts.

While discussing opening for Led Zeppelin at the 1979 Knebworth Festival, Chas revealed a number of artists who the duo had worked with.

"Well the old Led Zeps were quite down the list compared with me working with the Beatles, Jerry Lee Lewis and Gene Vincent," he said.

"Dave and I sold out at the Royal Albert Hall and closed the Royal Variety performance and Glastonbury."

The tour started last week and will finish just after Christmas.

To help the duo through the next three months, Chas said they would be relying on "plenty of jellied eels".

Queen Mary's College: a reputation for excellent results!

Queen Mary's College has a reputation for achieving excellent results, with an overall A Level pass rate of 99%, almost half of which are graded A* - B.

With excellent results year on year and a vibrant and engaging atmosphere, students find it impossible to resist participating in the opportunities open to them. Staff thoroughly enjoy working with young people and providing support to enable students to reach their full potential.

With excellent teachers and great facilities students at QMC achieve great results, with many of them doing far better than they ever thought possible when they started College; National League Tables published this year demonstrate that QMC students achieve higher grades in relation to their individual starting points than from any other sixth form college in Hampshire.

In addition to this, Statistics from The Higher Education Statistics Agency also released in 2014 showed that a higher percentage of ex QMC students gained first class or upper class degrees compared to their counterparts in other sectors including schools sixth-

forms and private schools. For students studying at the most prestigious Russell Group of universities, 85% of ex-QMC graduates were awarded first class or upper class degree classifications, 10% higher than the sixth form college or independent sector averages.

April La has just finished her A Levels and is off to Oxford University to study law. Looking

back on her time at QMC she commented: "I have received an exceptional quality of support at College and have found that the teachers are very passionate about what they do. QMC has given me so many great opportunities, I've met some brilliant people and have left on a pathway that I am very excited about, and extremely grateful for."

We invite you to come

along to look around the College on our Open Evenings, being held on 2nd October and 12th November from 6-9pm, to see what it's like to be a student here. We have a wide range of courses on offer, catering for all abilities, and will happily discuss students' options to help them get where they want to go.

Demons are behind Jim

AFTER his Big Brother success at the start of this year, funny man and TV presenter Jim Davidson will be at the Anvil on Sunday as part of his tour 'No Further Action'.

The 60-year-old comedian, who has had many ups and downs in his colourful career, has said he has put his demons of the past behind him, and that his attitude to life has changed for the better.

"When I was in a drinks clinic I learnt to write down problems," said Jim.

"I went years back because I had got into the old Colombian marching powder and was drinking too much. I haven't touched coke since. I gave up drink for seven years.

"I still have a drink now, but as it's Alcoholics Anonymous I drink under a different name."

The comedian, who received an OBE in 2001 for his services to charity, has openly admitted to making mistakes in the past, most notably his money problems which left the comic bankrupt in 2006.

He said: "Before I thought there

Parties and Presents - Are you ready for the festive season?

WE ARE now at the end of September, with October in our sights, and the weather is starting to turn. More people are now wearing at least two layers, as the humidity of the summer is now beginning to leave us.

In accordance with the ever decreasing weather change, we will soon see the fake snow, the bright lights and the Santa hats all in the shopping windows.

It is incredible to think that Christmas is only three months away, and despite the majority of people living in this country not even thinking about the festive period, some people will already be panicking about what presents, decorations and food to purchase for the festive period.

Let's not beat around the bush, Christmas is an expensive time of the year. Purchasing presents for loved ones, colleagues, friends, buying new decorations, and some people might even go away for the holidays. It's that time of year where people are more willing to spend money to please others and themselves.

During this hectic period, you want to spend time with loved ones. You don't want to be thinking about work and you want to be looking forward to having a couple of weeks off, to spend with the people that

you care about the most. It's the most wonderful time of the year, where people are brought closer together.

However, when Christmas draws closer, big decisions are made. Do you get a real or a fake tree? Should you get new ornaments for the living room? Do you think it is time to get some exterior lights to compete with the neighbors?

It's a very stressful and difficult period for everyone who is planning a great Christmas, as there are many things to think about before 25 December.

Let's just say that you'll have your family over for Christmas this year. This means that there will be more children running about the house, more mouths to feed and more presents to buy. This means buying more wrapping paper, more ribbons, more name tags and more stockings, which means that you'll need a certain amount of money, to purchase all of these items.

So if you want Christmas 2014 to be an absolute stunner, but you're already pulling your hair out as you don't want to break the bank and you don't even know where to start, then don't panic; because we spoke to a few businesses within Basingstoke to see how they can help you with your Christmas preparations.

Christmas and New Year at Basingstoke Country Hotel

IT'S ALL party at Basingstoke Country Hotel this season. Starting with spectacular tribute nights in November through to a range of party nights through December and into January to suit all tastes and budgets.

There are still a small number of dates available for private parties and a number of dates to join one of the open events, but they are booking up with increasing pace.

The season starts on Friday 28th November with the popular Abba tribute night, a sell out night in 2013 and is quickly followed on Saturday 29th November with an Eighties Themed night, so put on your big hair and shoulder pads, you're in for a night to relive your youth!

At Basingstoke Country Hotel, there are two main party suites with their own entrances and a bar in each room, helps make a great atmosphere. The disco nights are new this year and priced at only £25.50 per per-

son - great for midweek parties. The Traditional Party night is the most popular package, extremely good value at £36.50 per person. The Premium party nights are the ultimate - designed to impress guests from arrival cocktails and canapés through the gourmet dinner, coffee and petit fours right through to dance and party time.

With new décor, great food, excellent DJ entertainment, The Basingstoke Country Hotel is the place to be seen this Christmas

Get that perfect gift with Petra

WE ALL love surprises. Especially those that keep you smiling long after the big reveal.

And here's a particularly special one – did you know we can take your old gold, the rings and chains you've got gathering dust, and turn them into something shiny and new, uniquely personal to you?

And I bet you didn't think it could cost as little as £200 to design and create your very own exclusive commission. Yes, absolutely anything!

Here at Petra we make it happen. Our My Gold Memories service is simple. Have a rummage

through your jewellery box; gathering together those items of gold you've collected over the years. Maybe a ring from a grandparent that you've grown attached to or a gift from a loved one that wasn't quite right. And there's always items you buy that go out of fashion but you can't bear to throw them away. Then make an appointment and bring them in to see us at the shop. We'll sort through and find out how you can transform your collection into a piece that you'll treasure forever. We can help you make the right decision with our expert

understanding of what works best, sketching out designs and bringing your brand new piece of jewellery to life. We can even add a sparkly stone if you fancy it!

And because we know you love surprises, there are some special extras too... Just give us a call to get started!

So call us now on 01256 213072 or email the Petra Team at info@petrajewellery.com to book your FREE Design Consultation and have a look at some designs we've made for other people: www.MyGoldMemories.com.

Ford collects top honours at What Car? magazine's annual awards for second-hand motors

Focus is 'Best Used Car' of 2014

THE Ford Focus has been named as What Car? magazine's Best Used Car of the Year – the second time in three years the American car manufacturer has claimed the award.

It was praised for its balance of performance, equipment and value, with second-hand examples of the current generation model selling for around £8,000.

As well as taking home the main award, the Focus was also named as the Best Used Family Car for the fourth time in eight years.

The Focus' success comes after the Ford Fiesta took the honours in 2012, although the Fiesta still picked up the award for Best Used Small Car this year.

What Car? editor Jim Holder said: "The Ford Focus is our Used Car of the Year because of the choice offered to buyers."

"There are many Focus cars in numerous specifications and different ages to choose from."

Jim continued: "You can buy a current specification Focus within a reasonable budget and get a driver's car with great handling, bringing a lot of

refinement and delivering great value for money."

Ford's showing in this year's awards continues a trend of success for the company in the awards, having picked up at least one honour in the last seven years.

Mark Ovenden, chairman and managing director of Ford of Britain, was delighted with the awards.

He said: "We thank What Car? for endorsing Ford's great range with its Used Car Awards."

"Ford's unique combination of style, value and remarkable technologies, typified by the EcoBoost engine, is as appealing to used car buyers as in the new car market."

He added: "This is why Focus and Fiesta continue to delight so many customers across all sectors of the market."

End of the road for your vehicle?

Responsible drivers scrap their vehicles at an
Authorised Treatment Facility (ATF).

Because only an ATF can legally scrap a vehicle.

That means any pollutants will be made safe before it's recycled in an environmentally friendly way.

What's more, for certain types of vehicle you'll get a DVLA approved Certificate of Destruction (CoD). A CoD proves the ATF has told DVLA your vehicle has been scrapped and is no longer your responsibility. www.direct.gov.uk/motoring

Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging

from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough times, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!

Cheers,
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job. I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!

These guys definitely know what they're talking about and I would recommend them to anyone!

Chris H

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Bison block net and bury shots for unbeaten start

BASINGSTOKE Bison continued their unbeaten start to the English Ice Hockey Premier League season with wins over Manchester Phoenix and Peterborough Phantoms over the weekend.

The Herd beat defending champions Phoenix 3-2 on Saturday, before defeating the Phantoms 3-0 the following day.

Saturday's match saw Phoenix get off to a rapid start as they opened the scoring after just 21 seconds courtesy of Robin Kovar.

But it did not take long for Bison to respond, with a powerplay strike from Ciaran Long leveling the scores.

Joe Greener added another for Bison in the second period on the powerplay, before Andy

Melachrinio grabbed a third soon afterwards.

Phoenix's Michael Psurny pulled one back, but Bison were able to hang on to collect an important win over last year's league champions.

And Bison continued their strong form into Sunday by recording a comfortable victory over the Phantoms.

The damage was done in the first period, with Aaron Connolly netting on the powerplay in the third minute.

Long doubled the Herd's advantage just over 10 minutes later, before a goalless second period

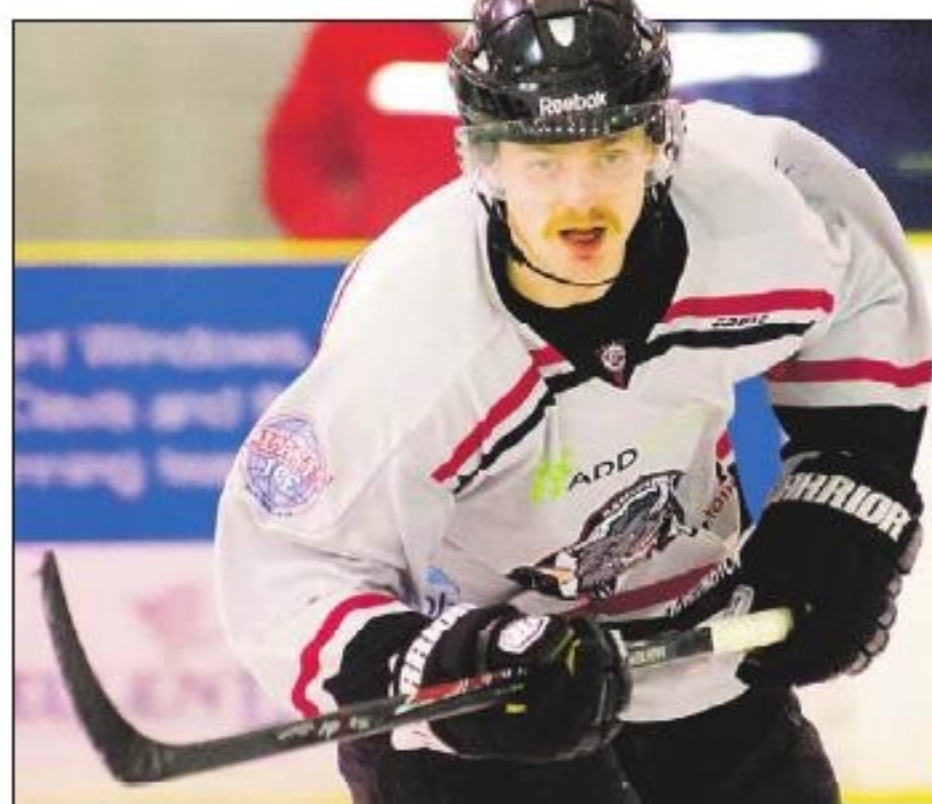

meant that Bison carried their 2-0 advantage into the final 20 minutes.

Greener was able to score a third in the dying minutes of the match, while Bison netminder Dean Skinns recorded his first shut-out of the season.

The weekend's results have moved the Herd to the top of the league standings with six points from their opening three games.

Bison have just one fixture this weekend, as they host the similarly unbeaten Telford Tigers on Saturday.

Sport Bites

'Stoke victory

BASINGSTOKE RFC got back to winning ways in the London 1 South division, as they beat Cobham 34-12.

It comes after Stoke were narrowly beaten 37-31 in their previous fixture against Guildford, and moves them up to fifth in the league table with 11 points.

They return to action this Saturday with a trip to Chobham, who sit second in the standings after their first three games of the season.

Rose for Europe

EUROPE begin their defence of the Ryder Cup at Gleneagles in Scotland tomorrow, with north Hampshire golfer Justin Rose part of the squad.

This is the first time that Rose has played in the competition on home soil, with his two previous appearances coming in 2008 and 2012 in America.

He was part of Europe's sensational comeback at Medinah two years ago, with his singles win over Phil Mickelson helping the visitors to overturn a four-point deficit to snatch the victory.

Ladies comeback

BASINGSTOKE Ladies FC made up for their league defeat against Parley Sports Ladies last week by thrashing them 6-1 in the Southern Region Women's Football League Cup on Sunday.

Their preliminary round triumph means they will now face Woodley United in the first round proper, scheduled for October 26.

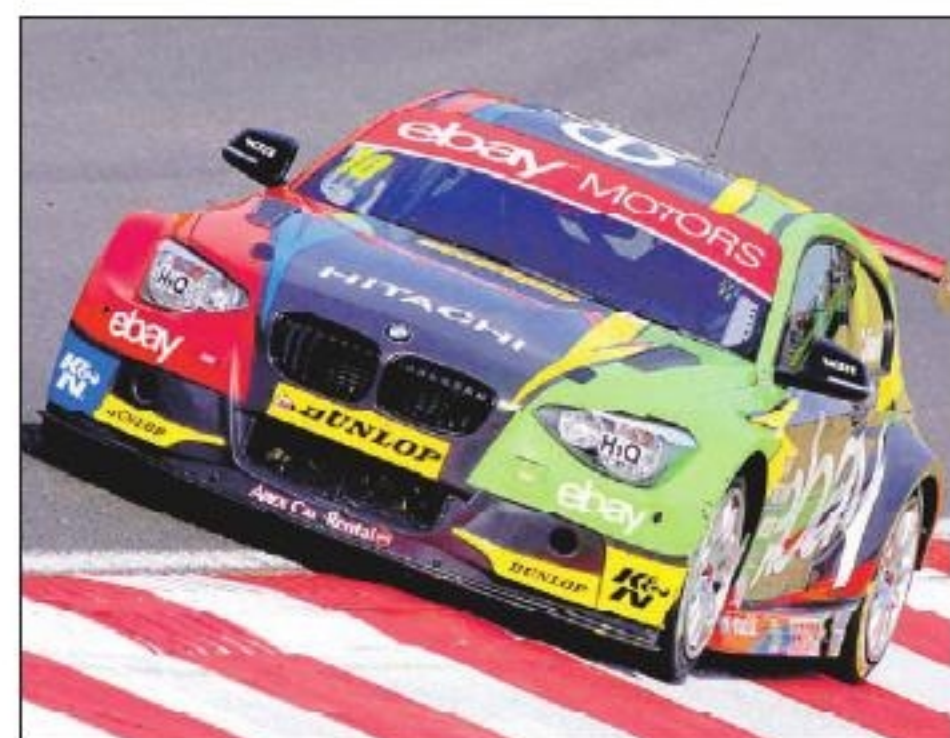

They are back in cup action on Sunday, as they travel to Poole Town for their first FA Women's Cup tie.

Archie in action

GT Open racing driver Archie Hamilton returns to action this weekend as the series heads to Monza.

It comes after Hamilton won his first race of the season in Belgium earlier this month.

He currently sits 11th in the drivers' championship.

Touring car racers back in gear at Silverstone

NORTH Hampshire racing drivers Rob Collard and Nick Foster return to British Touring Car Championship (BTCC) duties this weekend for the penultimate round of the season at Silverstone.

Collard has enjoyed a strong season so far and sits fifth in the championship standings, having won one race and collected five other podiums.

Last year Collard picked up a

fifth place at the Northamptonshire circuit and has finished on the podium there in the past.

But he has never won at the track in the BTCC.

His eBay Motors team-mate Foster will be hoping for better luck this weekend, in what has been a tough year for the Odiham-based driver.

Foster only scored one point at the last race at Rockingham when a crash meant he missed

the final race of the day.

He is currently 16th in the standings with 77 points, 18 behind next-placed Tom Ingram.

This Sunday's races start at 11.57am, 2.32pm and 5.17pm.

The British Touring Car Championship season finale is at Brands Hatch on October 12.

Strong league launch for Hampshire's lower football clubs

HARTLEY Wintney returned to winning ways in the Combined Counties Premier league on Saturday, as they won 2-1 away to Molesey.

The result moved Wintney up to eighth in the league with 13

points, but in a similar situation to last year with games in hand over a number of their rivals due to cup commitments.

But Wintney lost their Hampshire Senior Cup tie against Gosport Borough on Tuesday

night, as they were defeated 3-1 in the second round.

Whitchurch continued their unbeaten start in the Wessex Premier Division with a 5-2 win over Bournemouth Poppies.

The Jam Boys came from two

goals down to steal the win, and have won their last six games in all competitions.

It puts them third in the standings with 20 points, two behind current leaders Petersfield Town but with a game in hand.

Wintney return to league action on Saturday hosting Camberley Town, while Whitchurch make the trip to Pewsey Vale.

Tadley Calleva, who did not play last week, are home to Ringwood Town.

FLOOD FIRES TOWN TO LAST-GASP WIN

'Stoke climb to third after late victory against league leaders Boreham Wood

CHRIS Flood struck a dramatic late winner as Basingstoke Town beat league leaders Boreham Wood 2-1 in the Vanarama Conference South last weekend.

The win lifted Town up to third in the table and only a point behind The Wood with a game in hand.

Ricky Shakes put the visitors in front before Flood netted his sixth goal of the season on 58 minutes.

And Flood raced onto Manny Williams' pass with four minutes to go and slotted the ball through the legs of James Russell to give Town a memorable victory.

Manager Jason Bristow named the same side that lost to Havant & Waterlooville the week before and it was an evenly balanced game at the Soccer AM Stadium.

Town had the first opportunity of the game as Russell did well to tip Louie Soares' fierce volley

round the post on 12 minutes.

And five minutes later, Town keeper Stuart Moore was called into action as he pushed Graeme Montgomery's shot over the bar.

But from the resulting corner the visitors took the lead as the set piece was headed back across goal and Shakes flicked the ball over Moore into the back of the empty net.

The visitors looked to have their tales up and only a brilliant save from Moore was enough to deny Montgomery a goal on 22 minutes.

Basingstoke began to carve out opportunities with Liam Enver-Marum inches away from connecting with Soares' cross on 35 minutes.

Defenders Jay Gasson and

David Ray were also both denied by Russell.

Town did have the ball in the back of the net before the break, but Enver-Marum's goal was disallowed for offside.

However, the Dragons levelled 13 minutes into the second half as, after brilliant link-up play between Enver-Marum and Shaun McAuley, Flood slotted home into the bottom right corner.

The match continued in the same vein and Moore was once again called into action to deny Lee Angol, before making a superb save to prevent David Moli from scoring.

With Moore keeping Town in the game, Basingstoke's strikers made the difference at the other end.

On 87 minutes, Williams and Flood combined down the left and the latter cut on to his right foot and fired through Russell's legs to send the home fans into raptures.

The Dragons now need to turn their attentions to the FA Cup this Saturday as they make the trip to Somerset to take on Southern League side Bridgwater Town in the second qualifying round.
